

SASB Honoric Award Nominations

Nominations open, closing 30 August 2024

Early Career Research Excellence Award (ECREA)

This **annual** award will be for researchers who are members of the SASB, and who are <8 years post-Ph.D. in the calendar year of their nomination (NB. Ph.D. students who have not been awarded their degree will not be considered). This honorific award will be judged on performance relative to timeframe/opportunity.

Mid-Career Research Excellence Award (MCREA)

This **annual** award will be for researchers who are members of the SASB, and who are 8–15 years post-Ph.D. in the calendar year of their nomination. This honorific award is to be judged on performance relative to timeframe/opportunity.

Eligibility

All non-student professional members of the Society are eligible to be nominated, excluding current members of the SASB Council.

Nominations

Nominators must address all the selection criteria listed below. Relevant career interruptions such as illness, caring responsibilities, or COVID-19 related career delays should be outlined clearly.

All applications should be emailed before 11:59 pm AEST **on 30 August 2024** to the current Secretary (SASBiologists@gmail.com). Late applications will not be considered. Resubmission of updated nominations is encouraged. Nominators and nominees must be current financial members of SASB to be eligible.
